

I encourage you to retain the current FM translator service. K-LOVE radio is a blessing to my family. It offers music that is uplifting and "G"-rated for me and my kids to enjoy. My kids don't enjoy classical music, and talk radio and many other music stations are "PG-13" at best. K-LOVE has 24/7 prayer lines open for people in crisis or just in need of a listening ear. This is an amazing ministry that touches people in an amazing way and changes lives. A K-LOVE pastor called me "out of the blue" one day when I was in distress about one of my kids. There is no other radio station out there that cares about its listeners as much as K-LOVE. Please retain the current FM translator service so K-LOVE can stay on the air. I don't know what LPFM programming might be provided, but I doubt it would touch lives and give hope the way K-LOVE does.
